Prices include pre-chilled bulbs planted in decorative containers, ready to ship direct to your customer.

Drop ship fee of \$1.50 is added to each line item/product sold. Drop ship process required through pre-approved electronic process or by spreadsheet template. Template will be supplied by Western Promotions with complete instructions.

All images and copy supplied by Western Promotions.

Bulb gardens require a long lead-time for the pre-chilling process. We start shipping the pre-chilled bulb gardens right before Thanksgiving but have to plant them up early in the fall. Because of this long lead-time we require purchase orders by August 1, 2018. This allows us time to get the bulbs ordered, planted and the required amount of processing done for optimum customer success.
