

Amaryllis

Grows and Blooms Indoors!

A very impressive flower makes for a very impressive gift. Amaryllis plants produce breathtaking blooms that are often over 8 inches across! These indoor plants are a perfect premium gift for everyone on your list. Just plant the bulb, water, and in a few short weeks everyone who sees this beautiful flower blooming during the fall and winter will ask where it came from. The answer, your organization! This premium bulb from Holland is tastefully presented in a white box complete with a custom created four-color label and planting instructions.

Sun Requirements: Indoor Plant

Size: 24-26 cm bulb. Plants grow 18-24 inches tall.

Custom Label Size: 3 3/8" x 2 5/16"

Product Available: October through November
