

# Indoor Pre-Planted Blooming Bulbs

A truly stunning gift, our metal planter ships directly to your recipients with plants already peeking through the soil. Your customers or employees will be thankful for your generosity while being reminded of your organization as their plants grow. They will then be truly amazed at your thoughtfulness when their flowers bloom, bringing spring to the home or office during the dead of winter. This premium gift will be treasured for months, spreading your organization's name and reputation! Pictured with optional custom magnet.
