

Paperwhite Kit

Grows and Blooms Indoors!

Paperwhites are well known for their easy care and profuse blooms. The flowers are wonderful for livening up the home or office during the fall and winter. This kit contains everything needed to grow nine Paperwhites indoors: A decorative, reusable, and fully lined hatbox with lid, soil wafers, and complete easy to follow instructions. In 3 to 4 weeks your customers will be enjoying a delightful, blooming, indoor garden! The entire kit is fully contained in the hatbox and can be sent to you for hand delivery, or directly to everyone on your list. (Multiple customizing options are available. Quarter in hatbox picture is for size reference).

Several Hatbox colors / patterns to choose from, call for photos.

Approximate Sizes: 7 ³/₄ x 4 ³/₄ hatbox, 13-14 cm bulbs, plants grow 12-14 inches tall

Product Availability: September through November
